

NEWS BULLETIN February 2012

THE ITEMS BELOW ARE A SELECTION OF NEW CREATIONS THAT I HAVE DEVELOPED - ALL ARE AVAILABLE FOR ORDER

Beautiful ginger cat.

11cm wide looks stunning on a sunny window sill or on a desk as a rather special paper weight.

Flower Spikes: Lovely glass Pansies to enhance your pot plants. Will make super gifts as a novel alternative to a bunch of flowers when visiting friends. Just pop one in the middle of a pot plant and it adds a great bloom of colour.
